Commitment

SAVBA is looking only for those athletes willing to fully commit to our program. We expect all team members to attend every practice and every tournament. We believe that learning to budget your time is one of the benefits of athletic training.

Volleyball is a team sport and like any team effort, the success of the team as a whole depends on the individual members. The tournament schedule for the year is distributed at the first of the season and athletes will be expected to plan other extracurricular activities around this competition schedule.
